

TOURRIFIC 2020

Power Requirements Form

City of Prospect and Ngage Electrical Services require a detailed listing of electrical appliances that will be used at the event including a description of the item and the watts/amps the appliance uses.

If you are using ANY electrical appliances, this form must be completed and submitted with the ONLINE STALLHOLDER APPLICATION, and City of Prospect must be notified of any changes to this list.

Appliances that are not itemised or listed on this form, (including any changes that City of Prospect Council is not notified of) will not be permitted at the event.

All electrical appliances are legally required to be tested & tagged before being used on site.

Stallholders can get electrical equipment tested & tagged for FREE on **Monday 9 December, 2019 between 3:30pm and 5:00pm** prior to the Compulsory Stallholders Meeting at 5:30pm.

Sites that require electricity are available at a cost of \$30.00 per 10amp outlet (max 3 per stall). Each site will be supplied with 1 x light and 1 x 10amp outlet.

Power facilities will not be provided at the event unless the reverse of this form has been submitted with the ONLINE STALLHOLDER APPLICATION by **17 November, 2019**.

Power Requirements Form

Appliance Description	Watts/Amps

I, the undersigned, declare that the completed list is accurate at the time of signing, that City of Prospect Council will be advised of any changes to this list and I understand that any electrical items not advised to City of Prospect Council, and any items not tested and tagged, will not be permitted at the event.
