1. The Trader agrees to indemnify and to keep indemnified the Council, its servants and agents and each of them from and against all actions, costs, claims, damages, charges and expenses whatsoever which may be brought or made or claimed against them or any of them arising out of or in relation to the issuing of the permit.
2. The Trader shall take out and keep current a public liability insurance policy in the name of the permit holder insuring the permit holder for the minimum sum of ten million dollars (\$10,000,000) against all actions, cost, claims, damages, charges and expenses whatsoever which may be brought or made or claimed against the permit holder in relation to the activity.
3. The Trader must provide confirmation of insurance to the Council. Such policy shall bear the endorsement of the Insurer indicating the Insurer accepts the indemnity given by the permit holder.
4. Stores wishing to trade as per normal will incur no costs.
5. The Trader, where appropriate, shall ensure that it is licensed or registered to carry out the activity authorised by the issuing of this permit.
6. Any permitted stall selling alcohol must obey all regulations and legislation. Failure to comply will cause the termination of event trading.
7. An authorised food notification form (available from Council or the Eastern Health Authority website) must be completed by all food stalls and submitted before 11 November 2016. 8. All permit holders of an Eastern Health Authority (EHA) Trading Permit must comply with the Food Act 2001 and Food Safety Standards. Inspection will take place on event day and failure to comply will result in your stalls trading permit to be terminated.

10. The Trader shall comply with and give all notices required by any Act of Parliament, Ordinance, Regulation or By-law relating to the activity.
11. The Trader and all others involved with the stall must conduct themselves in an orderly manner.
